

Adding Panopto to a Course

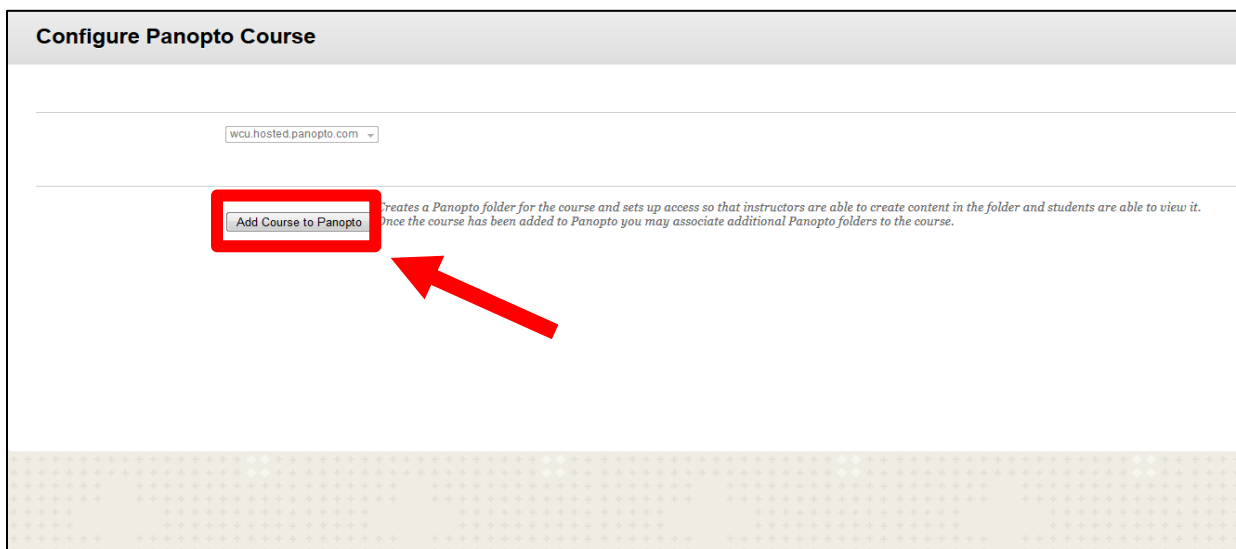

For Instructors

If you plan to use videos in your course, you will want to add the Panopto tool.

1. **Select the Panopto** link from your course content link on the left toolbar.
2. When this window opens up, click **Configure**.

3. When the next screen opens, click **Add Course to Panopto**

4. On the following screen, click **OK**

Configure Panopto Connector

Provisioning Results:

Course Name	DEVELOPMENT_FALL2016_MHAWES_EDTECH
Instructors	blackboard\hawesmiadmin9 (Michele Hawes (ADMIN) <mmhawes@wcu.edu>)
Students	No students.
Result	Successfully provisioned course DEVELOPMENT_FALL2016_MHAWES_EDTECH

OK ←

- Now you can choose from a list any of your existing (**Available**) course folders to **ADD** to this new Blackboard course. (**REMINDER:** When you copy content from a previous course that had Panopto videos associated with it, you will need to do this step.)

Configure Panopto Course

You may update the list of Panopto folders associated with this course.
Instructors of this course will be able to create content in any folder associated with it and students will be able to view the content.
